The Property

Built by a local reputable developer, Robins Building and Renovations Ltd, this brand new individual home has natural stone to front facade, with rendered rear elevation. Oak herringbone flooring has been laid throughout most of the ground floor, with large porcelain tiles in the kitchen/dining/family room and utility room. A well equipped, top of the range, kitchen has been fitted with granite works surfaces. The bath/shower rooms are all fitted with luxury white sanitary. Quality wooden double glazed windows and doors are fitted throughout. An Air source heat pump and solar panels assist in keeping energy costs to a minimum, with an EPC rating of A - 94. The property is covered by a 10 year Build-Zone New Home warranty.

Outside

Twin five-bar gates open onto a gravelled driveway providing ample off road parking and turning space in front of the property. The large detached garage has an electric up-and-over door, stairs to a storage room above, which could easily provide a studio/home office, if required (subject to any necessary planning permission). There is also an electric car charger, power and light, door and window to the side. The enclosed rear garden is laid to lawn with totem cypress trees and mature apple tree . Quality decking with balustrade, runs the full width of the property. There is external power and lighting to front and rear.

General

Mains drainage, water and electricity are connected. An air source heat pump provides central heating and hot water. Solar panels on the roof provide income to offset against energy costs. Council Tax band: TBA. EPC: A - 94.

Location

Upper Minety, a small village with the ancient Church of St Leonards, is closely associated with the larger village of Minety, about 2 miles distant. Minety has a primary school (Ofsted rated Good), pre school and a community run post office open at set times during the week, a sports pavilion with rugby and tennis clubs and a village hall.
